REPORT ON RCMP PUBLIC COMPLAINTS

2024-25

Canada-wide

Public Complaints Received

The Civilian Review and Complaints Commission for the RCMP (CRCC) accepts complaints about the on-duty conduct of RCMP members. Complaints may also be made directly with the RCMP or the provincial authority responsible for receiving complaints.

Of the **4,934** public complaints filed, **3,069** were sent to the RCMP for investigation, while **1,745** did not meet the criteria set out in Part VII of the RCMP Act. **120** were still under assessment at fiscal year-end to determine if they meet the criteria.

While the CRCC and the RCMP receive a large number of public complaints each fiscal year, not all meet the complaint criteria laid out in section 45.53 of the *Royal Canadian Mounted Police Act*.

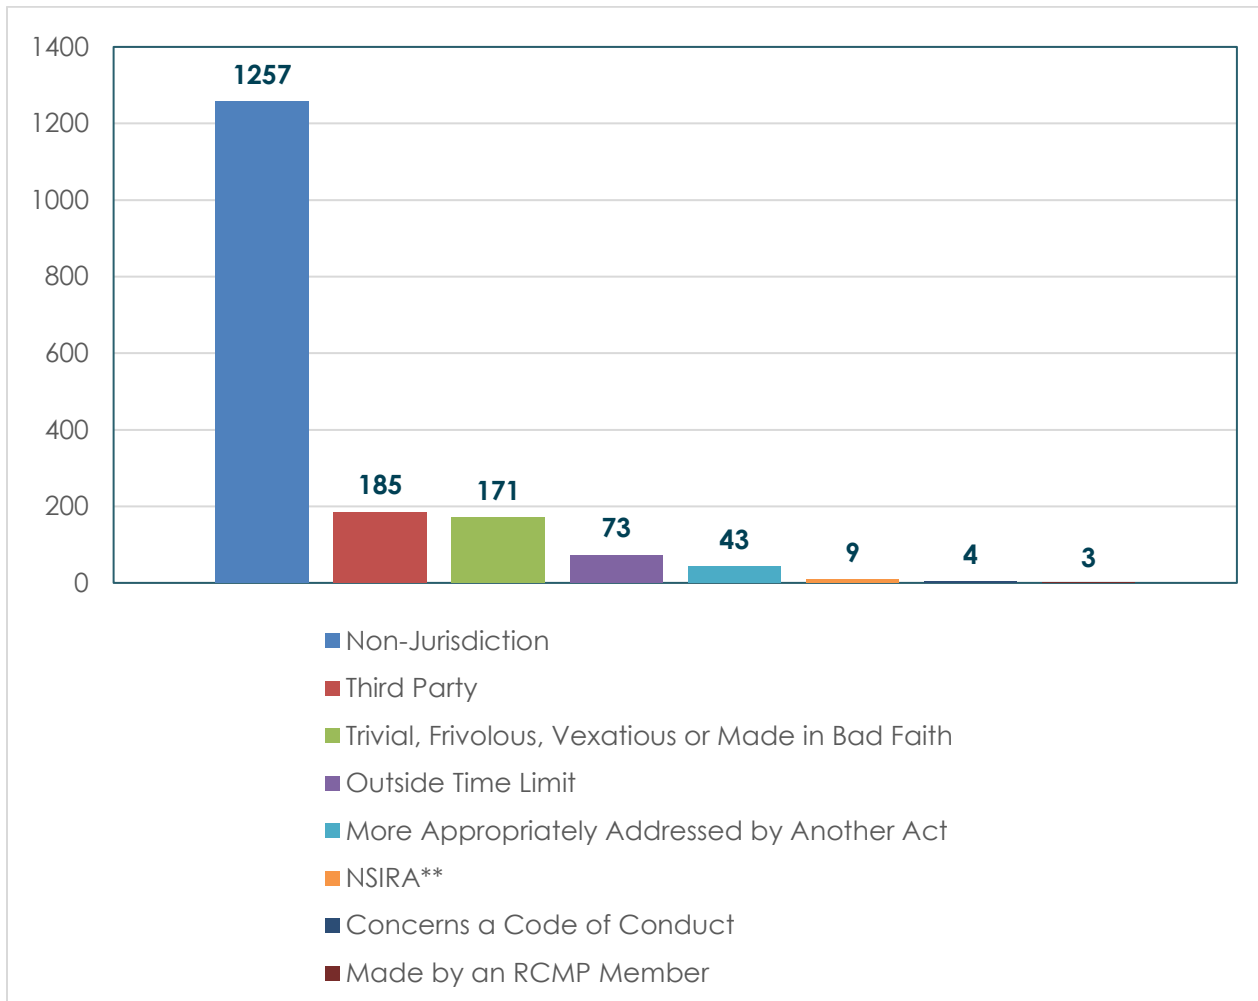

Public Complaints Canada-Wide 2024-25

The CRCC may refuse to deal with a complaint for a number of reasons, including:

- The complaint does not fall within the CRCC's jurisdiction*;
- The complaint is not filed within a year of the occurrence;
- The complaint is trivial, frivolous, vexatious or made in bad faith;
- The complaint is made by third parties who have no connection to the alleged incident;
- The complaint could be more appropriately dealt with under another Act.

Refused Complaints Canada-Wide 2024-25

*This includes complaints made about non-RCMP police officers.

**The CRCC does not have jurisdiction to conduct a review of an RCMP activity that is related to national security. These matters are referred to the National Security and Intelligence Review Agency (NSIRA).

Complaints Lodged with the CRCC vs. the RCMP

BY PROVINCE AND TERRITORY

Numbers relating to complaints filed with RCMP are based on information available to the CRCC at the time data was generated.

Public Complaints Finalized

The RCMP investigates public complaints* and provides the complainant with a report, finalizing the complaint.

It is important to note that complaints **finalized** by the RCMP within a fiscal year are not necessarily related to complaints **lodged** during that same time period.

For example, a complaint that is finalized in February 2025 (FY 2024-25) may have been lodged in December 2023 (FY 2023-24).

**Number of Finalized Complaints
Canada-Wide**

Complaints can be resolved as follows:

- informally resolved by the RCMP;
- investigated by the RCMP;
- withdrawn by the complainant;
- terminated by the RCMP.

**Resolution of Complaints
Canada-Wide****

*With the exception of public interest investigations, which are carried out by the CRCC.

**A small number of complaints are resolved annually using a combination of two or more of the mechanisms listed above. As such, the sum of the individual closing categories may be greater than the total.

Allegations in Finalized Public Complaints

A complaint may contain a single allegation* or multiple allegations.

Allegations contained in public complaints are categorized during the investigation.

In 2024-25, the **3,501** finalized complaint investigations contained **9,556** allegations.

The allegations were resolved as follows:

- **6%** were substantiated by the RCMP
- **57%** were not substantiated by the RCMP
- **20%** were informally resolved
- **13%** were withdrawn by the complainant
- **4%** were terminated by the RCMP

Complaints Referred to the CRCC for Review

Following the RCMP's investigation of a public complaint, if a complainant is not satisfied with how the RCMP has concluded their complaint, the legislation allows them to refer their complaint to the CRCC for review.

The role of the CRCC is to make findings after an objective examination of the information available and to make recommendations that improve policy and performance of the RCMP and its members.

At any point during its review, the CRCC may request that the RCMP investigate further.

If the CRCC is satisfied with RCMP's handling of the complaint, the Chairperson issues a **Satisfied Report** to the RCMP Commissioner, the Minister of Public Safety, the complainant, and the member(s) involved, thereby ending the review process.

If the CRCC is not satisfied with the RCMP's handling of the complaint, the Chairperson will issue an **Interim Report**, outlining various findings and recommendations directed at the RCMP, which will be sent to the RCMP Commissioner and the Minister of Public Safety.

Once the Interim Report has been reviewed by the RCMP, the RCMP Commissioner gives notice, identifying which recommendations the RCMP will act on. If no, or a different, action is to be taken, the Commissioner must provide reasons to the CRCC.

The Chairperson considers the **Commissioner's Response** and prepares a **Final Report**.

Complaints Referred to the CRCC for Review

Following the RCMP's investigation of a public complaint, if a complainant is not satisfied with how the RCMP has concluded their complaint, the legislation allows them to refer their complaint to the CRCC for review.

At any point during its review, the CRCC may request that the RCMP investigate further.

If the CRCC is satisfied with RCMP's handling of the complaint, the Chairperson issues a **Satisfied Report** to the RCMP Commissioner, the Minister of Public Safety, the complainant, and the member(s) involved, thereby ending the review process.

If the CRCC is not satisfied with the RCMP's handling of the complaint the Chairperson will issue an **Interim Report**, outlining various findings and recommendations directed at the RCMP, which will be sent to the RCMP Commissioner and the Minister of Public Safety.

Once the Interim Report has been reviewed by the RCMP, the RCMP Commissioner gives notice, identifying which recommendations the RCMP will act on. If no, or a different, action is to be taken, the Commissioner must provide reasons to the CRCC.

The Chairperson considers the **Commissioner's Response**, and prepares a **Final Report**.
